Market Drags Tediously at Weekend Close.

♦ NOTE—All Market news on ♦ this page reflects closing sale ♦ prices (unless buy or bid be ♦ specified) on Saturday, February 8.

New York, N. Y., Feb. S.—The stock market closed firm. Epeculation was lifeless and the stock market dragged tediously today. New opportunities were presented for profitable trading and roem traders found little to do. Amalgamated was the only special favorite that moved as much as a point. Reports that one of the large eastern trunk lines was preparing for a strike, owing to the delay in adjusting differences with the firemen on the eastern railways, restricted dealings in the stocks of these roads.

The market maintained a firm tone it through the session and such small changes as occurred were generally in the shape of advances.

Bonds were irregular.

Ar zona and New Mexico News -- All Of It -- In El Paso Herald

The El Paso Herald is the only newspaper in the country devoting so much news space daily to the news of both Arizona and New Maxico. The El Paso Herald has a daily service from the capitals of both these states, established and maintained at much expense, besides correspondents in every city and hamlet of importance in each state. The same applies to Texas. The El Paso Herald has a regular correspondent in the state capital and in all the

towns of importance in the western part of the state. Full reports of the legislative deings of the three states have always been features of the El Paso Herald, and the future will be no exception to the rule. The coming sessions of the three state legislatures will be reported with great The coming street news value. The Herald makes a feature of non-purisan political news and comment from each of the three capitals, a thing no other newspaper does. The Herald is the only unbiased, absolutely independent newspaper in the southwest.

The Herald cracks heads or pats them with equal sincerity, where such eracks or pats are deserved, regardless of the party to which the politician belongs. Whether Progressive, Democratic or Republican, it makes no difference in the news of the El Paso Herald.
